Cornell Health Initiatives

CAPS Group Counseling (Free)

CAPS counselors offer free weekly support groups and group therapy sessions on a wide range of topics.

"Let's Talk" Drop-In Consultation (Free)

Speak informally with a CAPS counselor for 20-25 min by stopping by "Let's Talk," available over Zoom with times linked on their website.

Let's Meditate

Free, guided, mindfulness meditation series sponsored by Cornell Health, in collaboration with numerous campus partners.

Mental Health Resources

Hand-picked articles, videos, exercises, and online resources by CAPS staff to provide information for students interested in self-help strategies, and support for students who may be waiting to see a counselor.

Mental Health Resources for Students of Color

Features identity resources, student groups, and additional resources to help students thrive personally and academically.

Refresh: Cornell's Sleep Program

Aims to provide students with the skills and strategies to achieve more restful nights. Enrollment is open on their website.

Nutrition and Healthy Eating Services

Comprised of Cornell Health nutritionists, medical providers, behavioral health providers, and counselors who work together to provide integrated support for students with eating disorders or eating concerns.
